

BEST OF BARBERSHOP

BEST OF BARBERSHOP

The recent growth in popularity of 'close harmony' or 'barbershop' singing in Europe has been limited only by a surprising lack of suitably arranged repertoire. The **Best of Barbershop** meets this need by introducing 70 standards, old and new, arranged for four voices.

It is a collection that will be welcomed by fans and singers alike.

Around The Corner
At Sundown
Aura Lee
Barbershopping Reaches Ev'rywhere
Bright Was The Night
